

SUMMER SPECIAL

English Café Talk

3rd of July 2017

We had an English Café Talk Special and got all English Café Talk teachers together!

The main topic for this time was "TANABATA" and "What are you planning to do this summer?"

It was very interesting to see what everyone is going to do this summer!

If you want to make new friends or practice your English, please come to join us next time. 😊

HAVE A NICE SUMMER VACATION
